Public Comment:

None

Unfinished Business:

Councilperson Venesky spoke with someone at 2Krew Security & Surveillance. We own the existing equipment and the service agreement is for monitoring the fire and alarm system. He recommended renewing the agreement. It's unknown if our equipment would transfer to a new company's monitoring system and the cost would probably be the same or more. Councilperson Venesky made a motion to renew the service agreement with 2Krew Security & Surveillance for 24 months at a rate of \$33.95/month. There was a 2nd by Vice President Cappelletti. All were in favor and the motion carried.

New Business:

Mayor Langham and the personnel committee interviewed Scott Haslett. He currently works for the Southern Armstrong Regional police department and is looking for some additional police work. Lieutenant Pitzer also recommended him for hire. There was a motion by Vice President Cappelletti to hire Scott Haslett as a part-time police officer to work between 12-16 hours a week. There was a 2nd by Councilperson Hetrick. All were in favor and the motion carried.

On a motion by Vice President Cappelletti, seconded by Councilperson Hetrick and carried unanimously, the meeting adjourned at 6:40pm.

Respectfully submitted,

Carly J. Hileman
